

On May 6<sup>th</sup> I joined other members of the Tennessee Congressional delegation for a briefing and tour of north Memphis and north Shelby County. I am very concerned about the relief and recovery efforts during this next round of Flood Warnings in the Mid-South. I wanted to share the following flood preparedness information with my constituents.

Please be advised that this information is constantly being revised by the Shelby County Emergency Operations Center. For the most up-to-date information, please visit [www.StaySafeShelby.us](http://www.StaySafeShelby.us) , call the **24 -Hour Flood Watch Hotline** at (901) 324- 8799, or send text requests to (901) 290-7530.
